Block Party Wagon Policies

- The Block Party Wagon (BPW-“Celebrate Jesus: Connecting Our Community”) is available on a **first come/first served** basis to actively participating Cabarrus Baptist Association Churches. **The BPW is not available to individuals for personal use such as birthday parties, etc.**
- Churches must **reserve** the BPW in advance by calling CBA office at 704-786-9171. **As \$75.00 user fee will be charged for each event.** A Reservation and Usage Agreement form must be filled out and signed before the BPW can be taken from CBA. Please return your check with the form prior to your event. ***Date and time of pickup will be arranged when you make your reservation.**
- A Church or CBA Ministry group is limited in reserving the BPW to **one major holiday per year**, unless no other church or group has reserved it within ten days of the holiday.
- The BPW is for use within the Cabarrus Baptist Association by its churches and ministry groups and is not available to be taken on mission trips outside the boundaries of CBA.
- The BPW must be returned to the Cabarrus Baptist Association building by 10:00 am the day following your event in case another church has it reserved for the next day.
- The BPW and its components must be returned **CLEAN AND READY FOR THE NEXT CHURCH**. Any damage due to abuse will become the responsibility of the church or ministry group using the trailer and **MUST** be reported upon the return of the BPW or leave a message at 704-786-9171.
- All directions must be followed when using the BPW and its components.
A notebook of directions will be provided to you upon each reservation when picking up the keys
- Consumable supplies, such as ice, popcorn, syrups, etc. as well as any paper products used in serving are the responsibility of the church or ministry group and most of these can be purchased at **Hickory Grove True Value Hardware, Highway 29, Concord, Phone #704-786-8195.**
- You will need access to electricity at all times for the operation of the BPW and its equipment.
- A **2 inch trailer hitch ball** is required to pull the trailer; the lights /turn signals connect with a 4 prong flat hook up.
